지금까지 이야기!

남자 기숙사에 들어온 소녀 제레미 에이. 유안 소슈아들과 얽히는 가운데 제이의 의외 모습을 보게 되고, 더불어 라트와 개인교습까지 받게 되면서 둘의 감정은 복잡해져 간다. 하지만 순간순간 여자인 것이 밝혀질수록 불안해하는 제레미. 그리고 그런 위태한 모습에 자꾸 눈이 가는 유안. 제이, 호슈아… 그리고 숨 하나가 곤잘레에 위치해있는 사건이 발생하고 그 충격으로 제이가 쓰러지게 된다. 그리고 유안은 A반의 팀 대표로 뽑힐 수 없는 스쇼로에게 화가 치밀게 조금씩 부서지기 시작하던 중 제이의 의문에 단일라의 정체를 함께 하게 된다. 그 일로 인해 제이의 비중을 하고, 유안의 입 막으로 나타난 제레미란 의문에 단서들은 계속 산경이 쓰인다. 그런 도중에라에게 키보드가 놀라운 다가서고, 제로운 단물 제라인이 등장하는데…

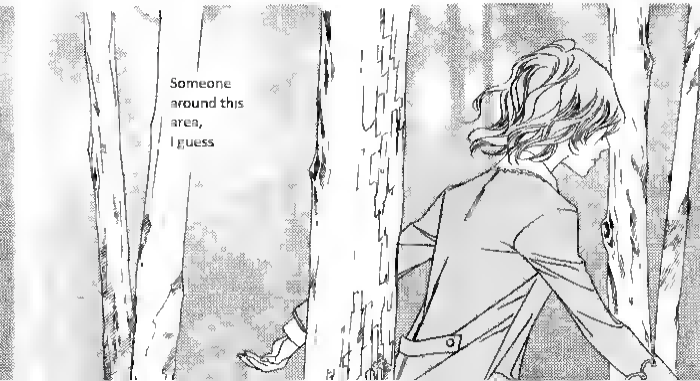
No, looks younger than her.



털썩

Are you alright ?!
움찔

I, I am fine.
I will clean
by myself.
Then at
least use
this.

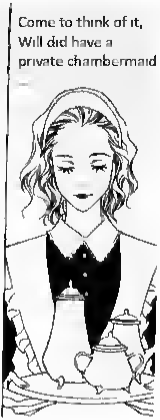
Are you still sleeping ?

Leave.
You reek
of blood.
Tell me.

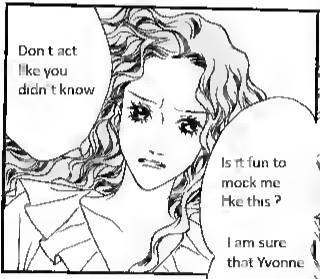
JANIMES.COM

I thought you wanted this ? Isn t this why you wanted to engage with me ?
Hmph. I don't want a graceless man who sleeps with some lowly maids.
Since when ?
How do you know Yvonne ?
Right back at you ! How dare you bring Yvonne who was Will's maid into this !
Have you spied on me even ?
Since when have you slept with Yvonne ?!

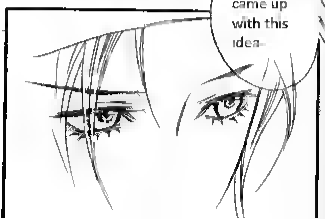
Yvonne was
Will's maid ?



Come to think of it,
Will did have a
private chambermaid

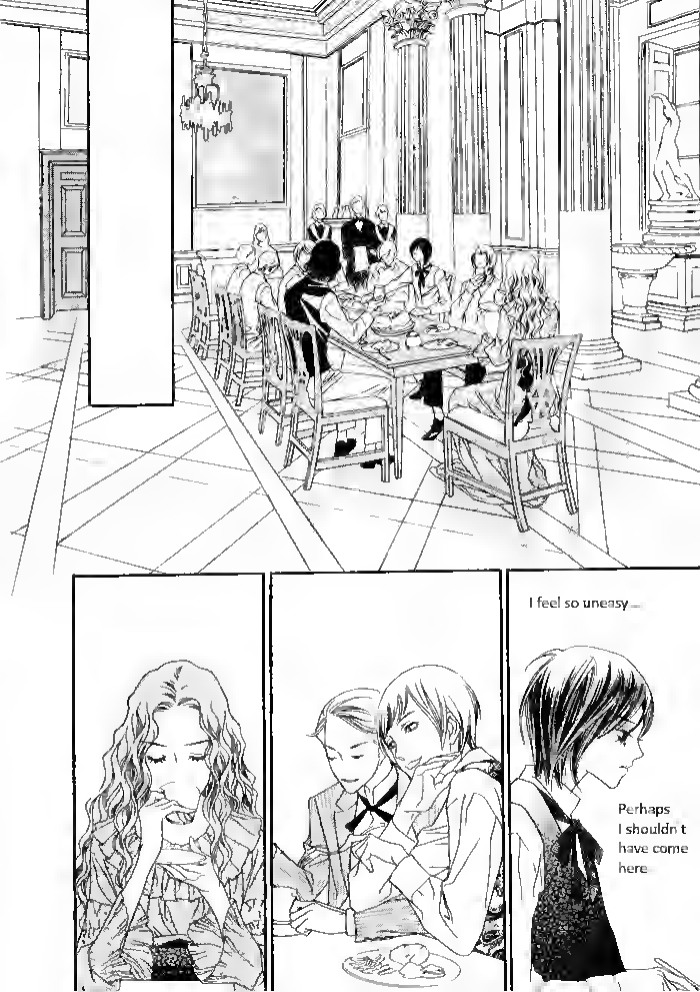


Don t act
like you
didn t know



Is it fun to
mock me
like this ?
I am sure
that Yvonne
came up
with this
idea.

Come down
for breakfast



I feel so uneasy...
Perhaps I shouldn t have come here

Will you be going home during the break ?
If so, why don't you visit my villa ?
No, I will remain in the school
It will be a hunting season. Everyone will be there
Right Ray ?
Jeremy, you don't plan to continue hunting after this, do you ?
Huh ?
Ah—
No
Would you like to fish with me then ?

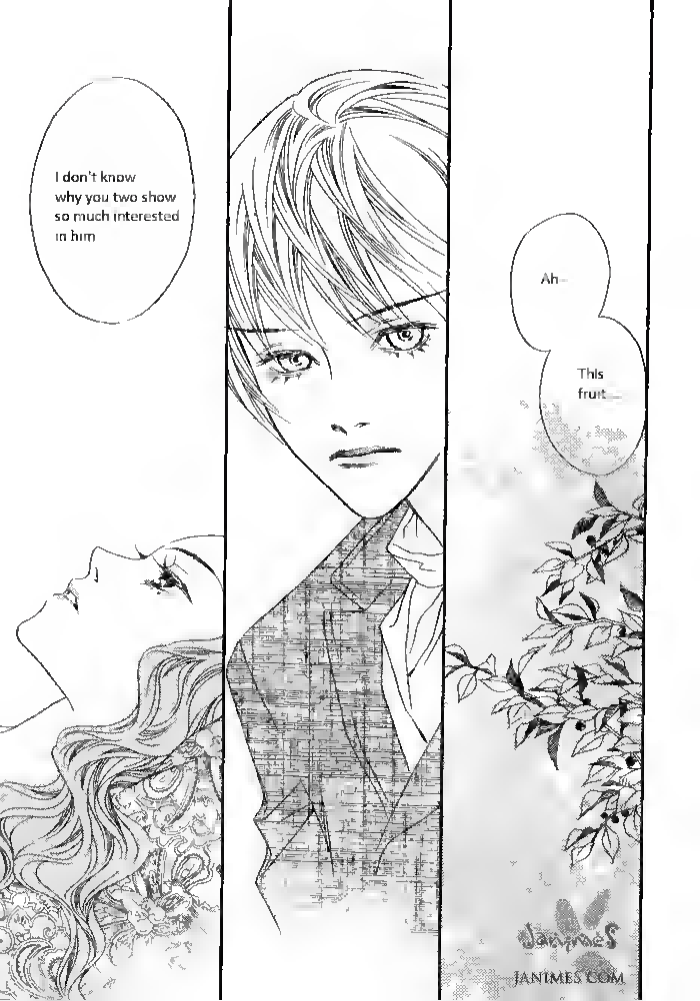
Fishing ?
I've never done fishing before
That's fine
It's easy You will learn quickly
If you say so
I am going too ! Wait up !
Ray -

Would you take me to my room please ?
What's wrong ?
I don't feel too well.
I am sorry Go without me
Get her a doctor if she doesn t feel well !
I hate those who don't keep promises !
No one made any promises
Anyway, you said you'd go !
Okay, okay fine I will go
Maybe, we shouldn't go, either.

What makes you think that?
I thought you liked hunting
Well, because ! You know, you killed the horse without mercy before
Shut up I like fishing more and that is the end of this discussion
How unexpected.
It is Arron who's strange.

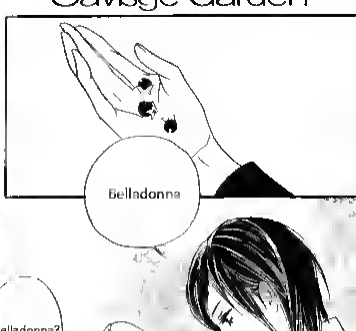
His face looks so soft, but he is the one who really enjoys hunting
If you don't win the race,
That horse will be killed !

What are you thinking ?
About what ?
You are saying exactly the same as Euan --
Brother did ?
About Jeremy
Are you interested in him ?
You tend to shy away from strangers but you invited him



I don't know why you two show so much interested in him
Ah~
This fruit~
JANIMES.COM

What is it ?
Do you know what it is ?



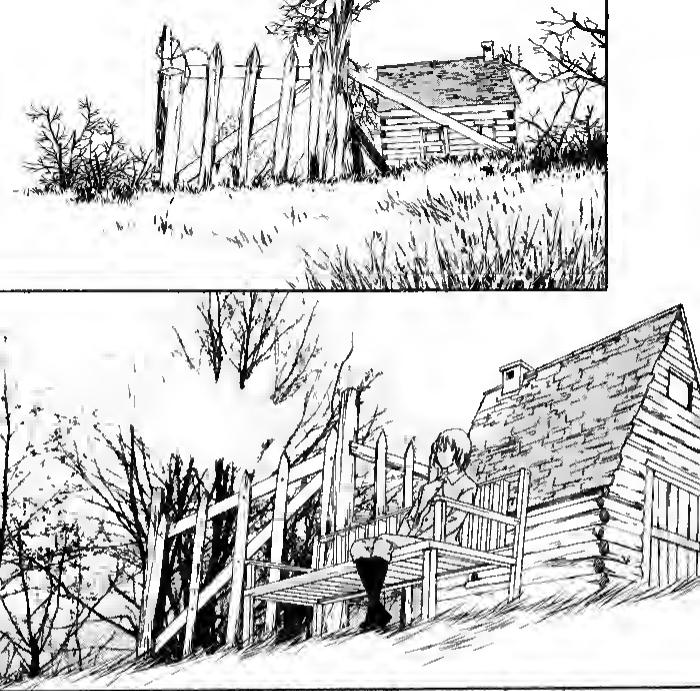
Belladonna

Belladonna?
That sounds familiar

A very poisonous fruit
Once eatten, a serious of seizures will follow then death

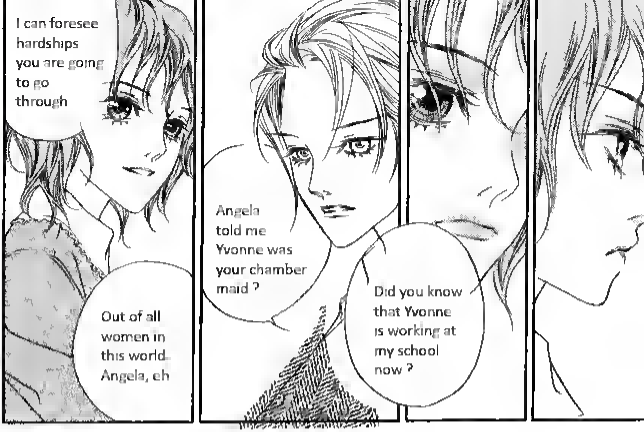
Ahah, I read about it from a book
This is the first time seeing one.
캔직의 아버지를 독살한 것이 갤리도라라고 하는 얘기도 있고 지목살우 블매라고 하는 얘기도 있다.

How do you know this anywya ?
I just know
뚝뚝



When did you come back ?
I thought you were taking a long break on White Island.

You are entering engagement with Angela?
Yes. I guess you h eard about it already



I can foresee hardships you are going to go through
Out of all women in this world. Angela, eh
Angela told me Yvonne was your chamber maid ?
Did you know that Yvonne is working at my school now ?

How is Yvonne doing ?
Does anyone bully her ?
Yvonne is not someone who can be bullied

Tell me
Mr quickhand
I highly doubt that you'd leave a fine woman like Yvonne alone. So, did you ?
I have to tell you this first
It was her who approached me
You may not believe me,
But while working for me, Yvonne was the most dignified maid of all.
She was ?
... So, you did get her

She refused all male servants
Who wanted to taste her.
Yvonne was that kind of woman.

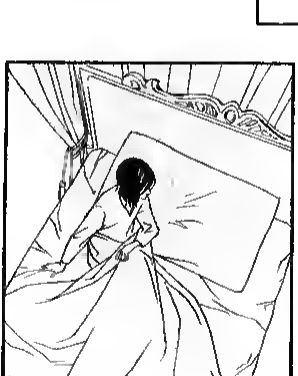
Yes
Do you want me to help finding your room ?
Um, that's
I don't think I remember where my room was. Do you mind if I sleep with you tonight ?
Shall we ?
Hey ?!



only 70K 정말 70K 만큼이나 만족하고 싶은 것이... 아니 이게 아니라 저희를 통하는 전제됩니다! 송합니다^^ (전체영&진경이고 친)

What ?
Then who was the kid who spent with me last night ?
How would I know ?
A kid slept with you ?
Yes
You startled me Please don t show up out of nowhere like that
Did he have brown hair by any chance ?

Marianne.
There you are.
Let's go.
Yes ...

No way
That maid came all the way here
God, how persistant
And what's the matter with you ?
She figured out ?
Of course, she would. It's Marianne.
She would have figured out ...

I have to get out of here !
Hey, what's wrong ?!
What's the commotion?
Nothing... Jeremy is acting a little weird. That's all.

What are you doing ?
Could I borrow Angela's carriage until I get to a train station ?
Why ?
Something urgent came up.
Something urgent ? Like ?

Can you just call the carriage ?
Please.
Do you realize that you are acting really weird right now ?
Fine. I will ask her by myself
Just what is going on ?!
Let go ! I have to leave !

Are you alright ?
Are you hurt ?

What's going on?
What is this ?
I think we should call a doctor. He fell and may be hurt.
Don't !
Don't call a doctor
I am fine
Excuse me, may I ?

She looked at me
at such a close distance.
She knows now.
This is over.
It's over ...
What to do
now ...
Should I inform
the Duchess now ?
No..., what
could she do now, anyway ?
The time has
come to end this little
play a little earlier. That is all.

There you are, I've been looking for you.
How come ?
Have you done anything weird to him ?

Who are you talking about ?
The one you slept with last night !
You could have used my room instead
You came all the way up here just to tell me that ? Now this is interesting.
It's just your imagination.
Poor lad. I pity him since you have eyes on him.
What does that mean ?
What's wrong with me ?
Do I have to spell out for you ? Anyone you got involved never ended well
I guess he's yours ?
Hmph.
He doesn't even pay attention to me.

Or rather
He may despise me
What's with that face ?
Don't tell me that you are serious ?
Don't take words out of my mouth I never sa d so
Hmm"

He was an interesting lad nevertheless.
He was sleeping with arms crossed.
Arms crossed?
Yeppers. Like this For the whole night

What's wrong?

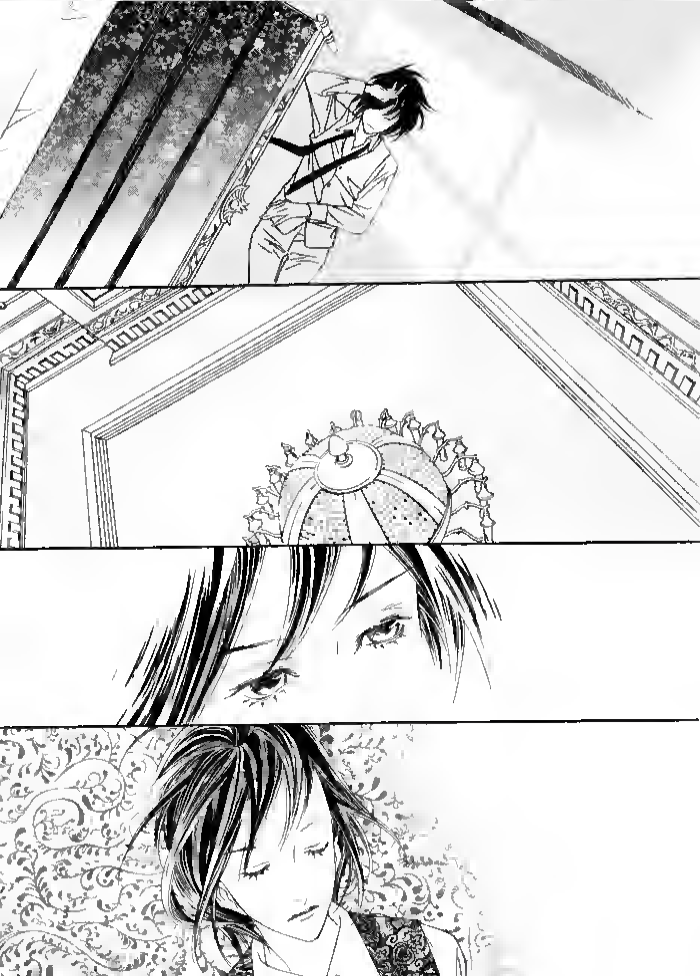
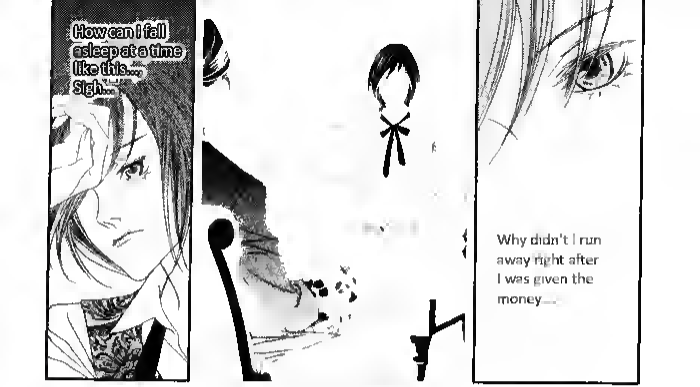
Alright see you in the evening





If I had run away I would have not gotten myself into this mess

What a fool I am ...

Or
Ray
What are you doing?

I was just wondering if he was alright
That is none of your concern Know your place
Leave
I apologize
It's me, Ray May I come in ?
Yes

What is it ?
Ahah, I am just checking on you
But I found Arron's maid standing right in front of the door
Why would she...
She claimed she was going to check on you
Ridiculous.
Maybe it's due to the way Arron has been treating her. She doesn't know her place.
A, and ?
I told her to leave.

What's wrong ?
You are still pale
Are you still
feeling dizzy ?
I am fine
Weren't you
napping ?
Let me leave
you alone
Wait
Stay here
for a bit

Are you sure you are alright ?
Of course
I am not like Euan
I am not interested in guys.
Um. Ray —
Yes ?
You said you weren't interested in guys, didn t you ?
Would a female make any differences then ?
If I were a girl, -

I was so skeptical at first ....
So, you really were Gabriel ...!
Why are you impersonating this Jeremy person ?
Anyway, the key point is that you are currently disguised as a boy

Please
Of course !
I prom se you that I will tell no one

Anyway, Marianne, what do you plan to do with Arron ?
It's not the right time yet. Wait a bit longer.
You've been saying that for a while. Just how much longer ?
Jimy says he knows a good real estate. He wants us to buy before its price goes up
I want you to stop seeing that scoundrel
Jimy is not a scoundrel
He is ! Just take my words for it

I am going to return to the villa.
Why so early ? I asked her to bring you here to take you to a good place.
Yes, I used to work here, so I know lots of good places.
Alright, take care.
Or do you find it uneasy to hang out with people like us ?
Hang out with us next time, okay ?
Don't be ridiculous !
I just want to leave you two alone. That is all.

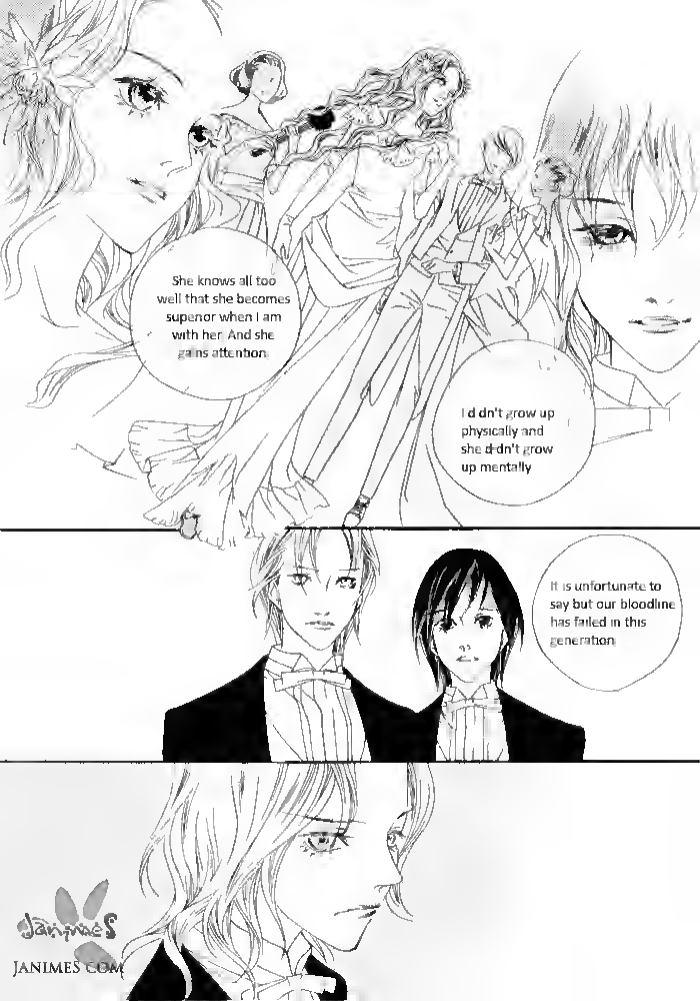
About you know,
The disgusting act you did to her
Yvonne is not that kind of -

Shut up !
Shut the hell up !
Don't you have shame ?! How dare you talk about that witch and even side with her in front of me ?!

Will is still small like a ch ld
He still retains the same appearance as 10 years ago— He's a monster
This means that Angela is going to nherit the family ?
It's interesting to th nk about it Angela is fine but Will is a failure

So, you seem satisfied...

Hey, kid.
I apologize for everything. I was informed that you are Angela's older brother?
Come on, loosen up.
Will, I didn't think you'd attend.
Ahah..., Angela forced me. No way would she miss this kind of chance.



She knows all too well that she becomes superior when I am with her. And she gains attention.
I'd didn't grow up physically and she didn't grow up mentally.
It is unfortunate to say but our bloodline has failed in this generation.
